

Duck Creek Macadamias release their Easter Nests

To celebrate Easter, Duck Creek Macadamias have just released their brightly coloured Easter Nests, full of their award-winning bestseller – Fantasies.

Fantasies are a premium grade, crunchy macadamia dipped in sticky sweet, pure harvested honey then layered with proprietary couverture chocolate – a trio of white, milk and dark varieties.

The 115g Easter Nest – available in red, gold and blue – is a delightful dark couverture chocolate (highest quality) filled with premium Macadamia Chips.

This exciting treat is another of Duck Creek's innovative approaches to delicious indulgences.

All macadamia nuts used in Duck Creek's gourmet products are grown on their own plantations scattered across the sub tropical hinterland surrounding Byron Bay.

Only the largest, premium sized nuts are selected to deliver the best quality, value and taste. They are hand-packaged in a variety of gift jars, snack packs, seasonal gift boxes and wrappings – ideal for any occasion.

Available in gourmet food stores Australia wide & online www.duck-creek.com
