

## DUCK CREEK MACADAMIAS

### **Duck Creek Macadamias take to the air**

DUCK CREEK Macadamias, known for their innovative approach to delicious small indulgences, are about to take to the air – literally.

Starting now, Qantas Airlines will be giving their domestic passengers flying after 4pm an Aussie Bites 'goodie' bag containing gourmet Australian products, including Duck Creek's Mombassa BBQ-flavoured macadamias.

These unique delights, inspired by exotic savoury African blends of herbs and spices, were hand-picked for this three month promotion of Australian fine foods.

"Entrenched in Australian history, Aborigines were eating the native nut, then known as gyndl, jindilli or boombera, thousands of years before European settlement," said Duck Creek director Alison Campbell.

All macadamia nuts used in Duck Creek's gourmet products are grown on their own plantations scattered across the sub tropical hinterland surrounding Byron Bay.

The Duck Creek range features roasted macadamias coated with a diversity of couverture chocolates (highest quality) and exotic savoury dustings that have won a multitude of Australian gourmet snack awards at the prestigious Sydney Royal Show.

Duck Creek's savoury macadamia flavours include mombassa BBQ, wasabi hot chilli, roasted garlic, abalone, natural and honey roasted.

Duck Creek was also asked to display a range of their macadamias at the recent exhibition of Channel Ten's popular show Masterchef, Live in Sydney.

Only the largest, premium sized nuts are selected to deliver the best quality, value and taste. They are hand-packaged in a variety of gift jars, snack packs, seasonal gift boxes and wrappings – ideal for any occasion.

Available in domestic and international duty free airports and gourmet food stores Australia wide. Visit [www.duck-creek.com](http://www.duck-creek.com) or phone 61 (2) 6687 1877.
